HYBRID FRACTIONAL LASER

Do you dream of waking up with healthy glowing skin? With HALO you can!

HALO: A Corrective Solution for Aging Skin. Over the years sun exposure and the wear and tear of everyday living may have resulted in the visible signs of aging such as sun spots, fine lines, and the loss of your natural healthy glow. HALO uses customized laser technology to precisely target and eliminate skin damage revealing a more youthful appearance.

- Reduction in the appearance of fine lines and wrinkles
- Diminishes sun damage and discoloration
- Reduction in the appearance of pore size
- Increased skin reflectivity and glow
- Safe for all skin types
